Pastoral Perspective

Surely God is my salvation; I will trust, and will not be afraid, for the LORD GOD is my strength and my might; he has become my salvation. – Isaiah 12:2

Grace and peace to you all! I hope this finds you well as the weather turns warmer. If it were up to me, I would spend the rest of the summer in a dark, air-conditioned room, because while God's creation is amazing and majestic, sometimes I'd prefer if it didn't shine so brightly or get so hot.

And yet, while I am tempted to hide away from it, to avoid the thing that brings me easily the most grief during the middle of the year, I can't do that. I can't stay inside all the time; how would I drive to church on a Sunday morning, or leave the office to go home when the work day is done? How would I enjoy the cold of a pool on a hot summer day or even the rare, delightful popsicle during the oppressive heat of a July evening?

The temptation for us is to avoid the things that frighten us, anger us, or make us uncomfortable. Even worse are the things that make us anxious because they are unknown. We are moving into a blisteringly hot summer, but that comes during a time of anxiety-inducing upheaval in our society as well: legal, financial, and social. An atmosphere of low-level nervousness hovers under everything. It's there when we wake up and when we go to sleep.

When we are nervous, we tend to hunker down and draw ourselves and what we have close for fear it will be lost. We want to avoid the world and protect what we have now. Living like frightened creatures huddling in the dark sees only one reality: this world and the forces contained within it, as though those are all that affect our lives.

Continues.....

But we are Christians, and we are called to see another reality: one where we trust that God is moving as well, affecting our lives not for God's gain, but for our own. As Paul says in his letter to the Romans, "We know that all things work together for good for those who love God, who are called according to God's purpose" (8:28). We are called not to live in fear of what might be, but in trust that God will act for us. Imagine the good we can do if we trust in God and live as though our needs will be cared for?

I want to thank Peggy and Faith for living into this promise. On Wednesday, May 28th, they joined me and other Lutherans from all over California at Lutheran Lobby Day, casting off the shackles of anxiety that would have kept them away and diving into the unfamiliar. They walked into the offices of state legislators and spoke about our faith and what it calls us to do. They acted with faith in God to guide them to where they were called. They may not have realized it, but this is what they did, and I praise God for their willingness to serve.

I invite you all to consider how you are being called. What fears are you being called on to release, trusting in God to take care of you? Where can you show trust that God will be your strength and might? How can you show your faith that God is your salvation and will watch over you?

As for me, you can see it as I brave the sun at our 100th anniversary barbecue on the 31st and throughout the rest of the summer. Say a prayer for me, and I'll say one for you.

Blessings, Pastor Rob

Lutherans from across California gathered in Sacramento for Lutheran Lobby Day on Wednesday, May 28, 2025. Hosted by the Lutheran Office of Public Policy – California (LOPPCA), this annual event empowers California members of the Evangelical Lutheran Church in America (ELCA) to meet with state legislators and advocate for justice, compassion, and care for the vulnerable in accordance with Lutheran values. Participants in this year's Lobby Day will center their advocacy around protecting the vulnerable, stewarding creation, and promoting justice.

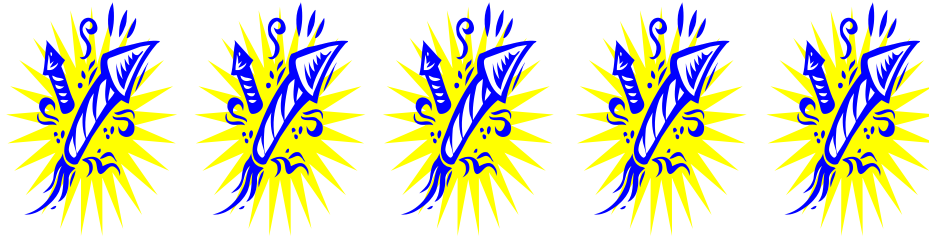

100th Anniversary Updates

It's almost here. Final plans are being made for our big celebration on **June 22 at 4:30 p.m.** Invitations have been sent, and we are requesting an RSVP by June 1 so we can let the caterers know how much food to prepare.

We are planning a great day with special worship from **4:30p.m. to 5:30 p.m.** This will be followed by a brief fellowship time with a catered dinner served at **6:00 p.m.** There will be entertainment, activities and a video presentation on our 100 years of sharing the victory in South Sacramento.

Do you have any St. Luke's memorabilia you can share with us? We would appreciate the loan of any T-shirts, hats, aprons, cookbooks, sports trophies, photos, newspaper articles, crafts projects or other items that can be displayed.

In celebration of our 100th anniversary year we set a goal for each of us to provide 100 blessings to others. If you have already completed your commitment, please be sure to place a yellow flower on our mustard tree in the sanctuary by the sound board. We would love to see our tree covered in flowers for our celebration.

26th Annual Fireworks Sale **June 28th – July 4th 2025**

Yep, it's that time of the year again as the Fireworks Sale is just around the corner. Again this year the booth will be located in the north parking lot right next to the gate. We'll have all the comforts the church has such as the kitchen, simplified set-up and take-down every day, and on-site restrooms – very important!

Hopefully this will be a much cooler summer as last year was just about the hottest on record (if not THE HOTTEST)! But no matter what happens, we're here to do one thing – put smiles on faces of all who love fireworks to celebrate our nation's birth! Funds raised are used for the many property board projects in and around the church.

We need lots of volunteers so please consider how you can help. And it's convenient – right here at the church! You can sell fireworks (sorry, you must be 18 or over), come by and visit, bring snacks or drinks to share, wave flags and banners to attract passersby, buy some fireworks, and encourage friends and family to do the same! We open at noon on June 28th, and then close between 9 and 10p.m. through July 4th.

If you have any questions about the fireworks booth or about how you can help, just call or see me. We have a lot of fun every year, so don't miss out!

In His Name...

Larry Dockter, Fireworks Booth Committee Chair

EASTER SUNDAY APPRECIATION

Although a little late, I would like to thank Punky Dias, Linda Duffek, Justin, Laura and Amelia Tice, and Ella Neidich for all your help and support in making our Sanctuary Easter Egg Hunt such a wonderful and fun event for our neighbors and congregation. Also, many thanks to the Evangelism Board (Carole Vance, Jennifer Connell, Gaylen Everett, Carolyn Andrews and Carol Carney), Justin and Laura Tice along with all the members of the congregation who helped support the Continental Breakfast. It was a lovely way to celebrate Easter morning with church members and the community.

FATHER'S DAY PIE AND ICE CREAM SOCIAL SUNDAY, JUNE 15TH

The Evangelism Board would like to honor the men in our congregation and let them know how much they are appreciated. We will be serving pie and ice cream after service on June 15th. If you would like to provide a pie, there is a sign-up sheet in the narthex.

June Update form the Education Board

Beginning in the Fall, Sunday School will be on the 1st and 3rd Sundays each month. We will break for Summer July and August and begin 1st and 3rd Sundays in September.

The Sunday school kids are working on a painted mural for the 100th Anniversary celebration. I hope our kids will join us on June 1st June 8th, and June 15th, as they are welcome to add their art to our mural. (Please wear clothes that are okay to get paint on, although our paint is washable.)

As always, we welcome our adults to join Marlene Kiser for Bible Study via Zoom on Tuesday mornings at 10:30 a.m. Please contact Marlene or the church office for the Zoom link.

In Peace,

Laura Tice

FINANCES TO DATE

The Finance Board provides the graph above that compares the year-to-date figures for the **Budget**, **Incomes** (Offerings and Facility Usage Fees), and **Expenses**, as of the end of April 2025. As shown, for the first four months including Easter, the Incomes (\$65,563) rebounded and now exceed the Expenses (\$58,259) by about \$7,300. This was a good step forward to drawing closer to budget. The year-to-date Expenses continue to be below the Budget (by approximately \$9,000). The Finance Board remains cautious regarding the offering receipts being about \$1,700 below the budget at this time and continues to watch this closely with a usual potentially “down” summer in offerings. Your continued support and commitment through weekly/monthly offerings remain vital as we continue our journey through 2025.

FINANCE BOARD

The Jerry Linfor Memorial Fountain overwhelmed with beautiful star jasmine blooms, his favorite flower. 5-10-25, taken the afternoon of the Mothers Day women's luncheon. I know he would love it. (p.s. thank you Carl Hoppman) for calling my attention to this beautiful display... if not for him, I would've zoomed right by on my way home. The phrase on the golfer plaque reads "I think my God when I remember you". I thank God for giving me this wonderful man to know and love.. 🙏 ☩
