For a child has been born for us, a son given to us; authority rests upon his shoulders...
- Isaiah 9:6a

Grace and peace to you all! I hope this chilly time finds you with warmth in your hearts.

As we head in to the Advent season, beginning our new year, it's a good time to reflect on what came before and what we want the future to be.

I want to encourage you to remember the goals your council set for this congregation: increasing membership, adding education opportunities, and increasing visibility in the surrounding community. We have a lot of work to do on all three, and I will need your help to do so.

I plan on adding a second Bible study specifically focused around the Gospel reading from the Revised Common Lectionary, the series of readings we use on Sundays. This is not to take the place of the Bible study already underway, looking at various books of the Bible; this is to add to it, allowing us to take an in-depth look at the Gospels themselves, increasing our understanding together. This will start in January after Epiphany; I will have more information on weekday and time soon. What I really need your help on is attendance. Studies have shown that people do not simply walk into churches anymore; it's far too easy to not go to church on Sunday morning rather than make the uncomfortable journey into somewhere new.

No, the main way people come to church now is *if they are asked*. I can only invite so many people; remember, I don't live in this area. This means that if people are going to be invited, it has to be by *you*. We are coming up on a time of year that is perfect for invitation: Christmas and Epiphany. This is the a time of warmth and welcome where we celebrate one of the most recognizable Christian events. Invite people to church. Friends, family, neighbors; share the warmth and welcome of Christ. This may be uncomfortable for you, but growth is always uncomfortable. I invite you to grow this holiday season as ministers and evangelists, spreading the invitation. You may find that most people either already have somewhere to go or decline, but you also do not know how the Spirit may move. Be bold. Trust in God to give you strength. Take the amazing welcome I have seen within our walls and stretch it out into the world.

Let this be the church year we grow, not just as a congregation, but as disciples. Let us take the message out and grow our community, trusting in God to use our work to make something beautiful.

Blessings,
PR

THANKSGIVING 'FIX-INS' FOOD COLLECTION DRIVE

The Community Concerns Board extends a huge "Thank You!" to all who donated to this year's Thanksgiving Food Collection Drive. Also, Thank You! to the Sacramento Youth Band who dropped off food donations. On Wednesday, November 19, a group from the Board delivered your generous donations to the Elk Grove Food Bank. Our Congregation donated an amazing 500 lbs.! We actually filled up and overflowed one bin. Many families will now have a blessed Thanksgiving.

2025 Benevolence Recipients

The Community Concerns Board has a designated Benevolence Special Fund that is used specifically to give monetary donations to Charity recipients. Contributors to this fund are proceeds from the Fireworks sales designated by the Property Board as well as designated proceeds from other special Congregation events. Each year, the Board selects recipients. In September, the Board voted to give \$500 to four recipients (Meals on Wheels, Project RIDE, Lutheran Disaster Relief and the St. Luke Pastor Assistance Fund). Below is a 'Thank You' response from one of the recipients (Project RIDE).

Please know that
your gift helps our students

Christmas Gift Drive

Stanford Sierra Youth & Families

Stanford Sierra Youth & Families has again been selected as the recipient of our annual Christmas gift drive. The organization has been serving youth and families in our community for almost 125 years and serves approximately 6,700 children and families in Sacramento, Placer, El Dorado, Nevada, Yolo, Napa, Solano, and San Joaquin counties annually.

Their services include family advocacy and peer support; behavioral and mental health services; substance use prevention and treatment; juvenile justice intervention; mentoring; foster care, adoption services, and pre- and post-adoption services.

To help the families they serve, the organization offers a “gift shop” to the caregivers where they can, at no cost to them, select appropriate and meaningful gifts for the children in their care. Our contributions will help stock the gift shop and provide special moments of holiday connection for these families. If you would like to participate, please bring your unwrapped gifts, and place them under the tree at the back of the sanctuary by December 7.

Gratitude

The Ireton family extends our heartfelt gratitude to everyone who has surrounded us with prayers, love, and support throughout Ed's illness and in the days following his passing. Ed deeply loved his church family and found great strength in your encouragement and kindness. Thank you for lifting him—and us—up during this difficult journey.

With appreciation,
Kirsten
