Pastoral Perspective

If someone were to ask you, "What is prayer?" what would you say? Prayer is not some kind of white magic. It is not an attempt to control God. It is neither a self-induced pep session, nor a demand note. Prayer is need finding a voice. It is guilt seeking relief. It is a friend in search of a Friend. Prayer is the expression of a relationship. Prayer is a way of practicing the presence of God.

In a very real sense, human beings are alive to what is in their awareness, to what they are in the presence of. To live in the awareness of God is to be alive to Him. It is to live in the cathedral of His presence.

Each of us can practice the presence of God in prayer. Prayer is not merely something that one recites by rote in the morning, or at mealtime, or at bedtime, or at church. It is not to be so much scripted as a personal sharing from heart to Heart. This sharing happens in different ways.

There are prayers in which we praise God by acknowledging His blessings upon us. With the Psalmist we pray, "Bless the Lord, O my soul; and all that is within me, bless his holy name! Bless the Lord, O my soul, and forget not all his benefits." We have so many things for which we can thank God in prayer each day. Especially do we thank Him for salvation when we pray with

St. Peter, "Blessed be the God and Father of our Lord Jesus Christ! By his great mercy we have been born anew to a living hope through the resurrection of Jesus Christ from the dead."

We also engage in prayers of confession. In pain and guilt we acknowledge that we have sinned against God's will, violated His commands, delayed the fulfillment of His plans, disappointed Him, and worked against our own true welfare. To confess is to acknowledge our sins and express our craving for forgiveness. We turn to God in penitential prayer. Then, in Jesus Christ, we come to know the joy of having been forgiven, accepted anew, and loved by the One whose forgiveness, acceptance and love are crucial to our lives.

There are also prayers of supplication or request. This is the kind of prayer that is most often associated with the word "prayer". Such prayers flow spontaneously from the heart, at least from the heart that is overcome with the challenges of life. Martin Luther's fellow reformer, Philip Melancthon, said with regard to such prayers, "Trouble and perplexity drive us to prayer, and prayer drives away trouble and perplexity."

We must not lose heart if we do not seem to get an immediate expected response to our prayers of request. Prayer is, after all, not a demand note. It is rather practicing the presence of God, letting His presence and power work in our lives and situations. By practicing the presence of God, we learn our total dependence on

Council is Developing Proposed Revisions for the Constitution and Bylaws

God. We learn to depend on God, not for favors, but for the power of His love to be active in any given situation. Our relationship with God grows through the persistent practice of prayer.

By faith in Jesus Christ, we are equipped to bring our prayers of praise, confession and request to God in the full confidence that he will hear and answer us. Prayer is our way of practicing the presence of God. It is communicating in a loving intimate way with the God who is our loving Father.

Spreading, Serving and Sharing with You,

Pastor Carl

Highlights July 20, 2010 Church Council Meeting:

Pastoral Acts:

Baptisms: Craig Hamby, Beverly Harding, Amber Hamby, John McAdams, Joy Pate (6/21)

Weddings: Jesse Iniguez and Katherine Moser (5/22); Stephen Bingen and Crystal Navarrete (6/12).

A Root Beer Float Social, sponsored by the Evangelism Committee and WELCA, is scheduled for Sunday August 8 following the second worship service.

School Supplies are being collected during the month of August to benefit children attending Charles Mack and Parkway Elementary Schools. The collection is a joint effort by Community Concerns and WELCA.

\$500.00, from our Community Concerns/Special Benevolence fund, is being contributed to the Red Cross to assist the victims of the Whispering Pines Apartment Fire.

The Worship and Music committee noted that choir practice is scheduled to begin on September 1.

The Property Board has scheduled a work day at the church on August 21, 2010 starting at 9:00 am. All volunteers are welcome.

The dinner to benefit Chris Shower raised more than \$5,000 to help with medical expenses. There is an account open at Golden One for any additional contributions.

During the last several months, the Council has been reviewing the St. Luke's Constitution and Bylaws and developing proposed revisions. This effort is being assisted by Jack Fenske, who has prepared options, draft proposals, and related documentation for the Council. At the July 20 Council meeting, the Council essentially completed an initial draft of the proposed revisions (one or two issues remain under consideration). The draft, proposed revisions are now available for the congregation's review and comment.

Copies of the draft, proposed revisions are available from the Church office. A summary of the proposed revisions is provided below.

It is anticipated that the proposed revised Constitution and Bylaws will be a voting issue (approve/disapprove) at the Annual Congregation Meeting in December. *Actually, the revised Constitution requires two meetings (and votes) – a majority vote for approval, and then, a second two-thirds ratification vote without any additional changes. The meetings will be held consecutively.* The revisions also must be sent to the Synod for approval, although this is expected to be a formality.

The current Constitution and Bylaws are 13 years old and, in general, have been successful and have worked well. However, a number of provisions should be revised as they are (a) unpractical and unworkable, (b) out dated, (c) unclear, (d) inconsistent with St. Luke's current operations, and/or (e) inflexible.

The more significant proposed revisions (PR) are summarized below.

Constitution –

Current provision C12.05.c. permits the Council “to enter into contracts of up to \$10,000 for items not included in the budget.” As now written, this provision conflicts with Bylaw B12.05.01.c. **PR** – Revise this general provision to specify that the Council, without congregational approval, may expend up to \$25,000 only to resolve a declared emergency situation. *For example, the recent replacement of the gas line piping.*

PR – Change the elected Stewardship Board to an appointed Stewardship Committee. Recently, this Board has not been active (or existed).

In recent years, the method used to determine Board Chairpersons and Board members has been inconsistent with the Constitution for various practical reasons. The current Constitution states that all Board members are elected and that the candidates run undesignated (not for a specific Board). **PR** – Specify that only the Board chairpersons are elected and that

the candidates run for a designated Board. Other Board members are "registered" volunteers.

Bylaws -

Current duty descriptions of officers are weak and incomplete. **PR** - Expand the duty descriptions of officers.

Bylaw B12.05.01.c. currently limits the total annual expenditures to the amount approved in the annual Budget. In addition, this provision conflicts with Constitution provision C12.05.c. **PR** - Clarify the wording and retain the original intent of this Bylaw.

PR - Delete the Treasurer and Financial Secretary as ex officio members of the Finance Board. *This provision places an unnecessary commitment on the Treasurer and Financial Secretary since reports are provided*

PR - Clarify the duties of the Executive Committee.

PR - Clarify the duties of the Stewardship Board (Committee).

PR - Clarify the duties of the Financial Secretary.

The above summary is not a complete list of the revisions. If you desire additional details and information, you are encouraged to contact the Church office and obtain copies of the actual proposed revisions and other related information.

If you have questions, please contact President Carolyn (469-9906, agrannyatlarge@aol.com) or Jack (714-3626, LRFenske@comcast.net).

Hopes that each and everyone of you are having a safe and happy summer. Sunday - August 8, after service, will be our Annual Root Bear Float Social!

We still need more of you to sign up to serve after service refreshments. The Evangelism Board is not always available and if no one signs up there may be times when we will not be able to provide this vitally important fellowship -please consider helping - you will never have to work alone!

Carol Carney
Evangelism Board Chair

To all of our family and friends at St. Luke's, I'd like to say "Thank you" from the bottom of our hearts at the love and support you've shown to our daughter and her husband, Megan and Chris Shower, and their daughters, Micayla and Rylee, as they continue dealing with Chris' illness. The Benefit Dinner and Raffle on Saturday, July 10th, was such a blessing and the outpouring of love and kindness each of you provided by attending in person or in spirit or by donating something from your heart was overwhelming. Through your generous support and assistance, we were able to put \$5000 in the bank to help pay for their out-of-pocket medical expenses as Chris continues to fight Hodgkin's Lymphoma.

To Katie Ramsey and Linda Duffek for organizing, to Peggy Moser, Katie Iniguez and Dorothy Haney for the raffle, to Carolyn Andrews, Bob and Karen Behr, Alex Blair, Kathy Felgenhauer, Jack and Micki Fenske, Kirsten & Ed Ireton, Debi & Ken Lentsch, Al & Peggy Moser, Renee Roberts and Deanna Simmons for helping with setup and decorations, to Katie Ramsey for the wonderful meal for everyone, to Julie Ireton and Megan Lester for tending the soda sales, to the Sacramento Youth Band for serving the meal, to Pastor Carl for his love and support, to Michael Duffek for getting up on stage and being "Larry", and to the many people who donated raffle items or helped to clean up after the event, a deep and personal Thank You!

Larry and Deanna Dockter and Family

Louise Smith's older son, James Boyce Smith, went to his heavenly home the morning of July 19, 2010. He is survived by his wife, Margie, their children and grandchildren, sister, Marlene, and brother, Walter, as well as his many other extended family members. Our thoughts and prayers are with Louise and the whole family.

11th Annual Fireworks Sale

We're now into our second decade of selling fireworks and boy, how the time has flown. But by now, we've got this whole business down to a "T". Everything hummed along. We put up 6 tent awnings to shade ourselves. We had food, snacks, water and other drinks to keep us satisfied. The temperature was pretty mild actually (only 1 day over 100 degrees). We had some games to play (ask any of the volunteers for the details about our CLR game or our Fireworks Booth Bingo games). We kept up on the news and shared many stories and jokes. We survived our annual visit from the fire marshal with no complaints. We also had a visit from the "Statewide Compliance and Outreach Program" of the State Board of Equalization wanting to make sure we will be paying our fair share of sales taxes and again, no complaints.

Despite the continuing downturn in the economy, we had more customers and sales than ever before. Possibly more people staying home to light off fireworks to celebrate our Nation's Birth instead of being able to leave on well-deserved vacations unfortunately. But that's good for us working at the booth because it's always nice to meet the new faces, welcome the returning customers, and to watch the excitement in the children's faces as mom and dad picked out their fireworks. That's the best part at the sale, the fun and fellowship we share with our neighbors and friends.

I'd personally like to say Thank You to all the volunteers who helped by working sales, setting up or taking down the booth or by visiting. Then there were those who gave refreshments or made other donations. Many different efforts go into making this event a success every year. Without all of you, it couldn't be done. Here's our list of volunteers and I hope I didn't miss anyone!

And a big Thank You to Bob Allen, our official photographer - he kept us "smiling" again!

As for total sales this year, we sold \$28,146.30 worth of fireworks this year – a whopping \$5,361 MORE

than last year - with the economy. After paying for the fireworks, sales taxes, the U-Haul, fees and other expenses, we'll be putting \$8,594.62 in the bank to go towards property improvements here at St. Luke's. That's great!

Just a final Thank You to all who helped and supported us by buying fireworks or by telling your friends and family to visit our booth. See you next year!

In His Name...

Hall on Saturday night, filled with all of you, has shown myself, Chris and our girls all of the support and love we have on our side. BREAD painting

When you eat this fun snack, be thankful for Jesus, who is our Bread of Life.

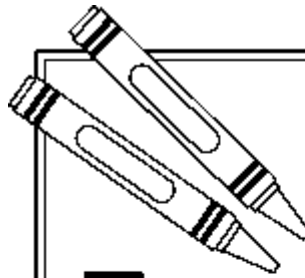

What you need:

- Small cups
- Milk
- Food coloring
- Clean artist brush
- Slice of bread
- Toaster or toaster oven
- Butter (optional)

What you do:

1. Decide how many colors you want to use, and set aside one cup for each color.
2. Pour about 1/4 cup of milk into each cup.
3. Add drops of food coloring until you get a bright color.
4. Using a brush, paint a picture or write words (such as a Bible verse) on the slice of bread. Make sure not to get the bread too soaked.
5. When you're finished painting, toast your bread. You can top it with a bit of butter. Enjoy!

Just for KIDS

THE BREAD OF LIFE

Jesus knew that people would starve without physical bread to eat and water to drink. But he also knew they would die spiritually if they weren't fed by him.

Find and circle all the words horizontally. Then, starting on the top line and moving across from left to right, read John 6:35 (NIV) and write the Bible verse on the dashes.
