## Pastoral Perspective

*"...On the way they had argued with one another about who was the greatest...And he took a child and put him in the midst of them, and taking him in his arms, he said to them, 'Whoever receives one such child in my name receives me, and whoever receives me, receives not me but him who sent me.'"*

--Mark 9:34-37

We like to feel successful. We like people to respect us and acknowledge our efforts. We get the feeling that we are successful when we get a raise or a good grade or win in some competitive game. If we can string enough successes together we can think we're pretty great.

This desire to be successful can naturally become a part of our lives as followers of Jesus. We want the Lord to respect us for what good workers we are. We want Him and others to acknowledge our efforts on His behalf. If we do enough for the Lord, we can begin to think we're pretty great.

This attitude can cause us problems in our relationship with the Lord. God might have to have a talk with us. "This is all well and good," He might say, "but you have sort of missed the point. The reason it is important for you to do all the things you do to show my love for others is because I love them. When you do anything for others in the name of my Son, you are doing my work in the world. You have to get beyond yourself to be really successful in this work.

Then anything you do, even the seemingly little things, are always successful in extending my kingdom of love."

"You see, I love you. I received you long ago when my Son died on the cross for you. Because of that there isn't anything to come between us except that you sometimes misunderstand what that means. My Son's death and resurrection means that you are accepted, I give you new life in my love. When you do something in His name, you are doing it with the realization and trust that He will make that action meaningful. Then you aren't trying to prove yourself as great. Instead, you are simply helping to further my kingdom of love."

"I guess that makes sense," we might say, "but how am I supposed to feel successful? How can I know whether I've won or lost?"

Then God might certainly respond, "Who do you think you are? I formed you out of dust. I preserve you. Any worth you have is because of me. You know you've won because my Son won. He suffered and died for you. You couldn't possibly have gone through what He did without cracking and forsaking me. If you want to feel successful, how about this—alleviate all the hunger, injustice, inhumanity, hatred, suffering, and misunderstanding in the world!"

"I can't do that!" we might say.

"Now you're beginning to understand," God might say. "I know you can't. But you can share my love with those around you. You can participate in some ways that will help alleviate some of the hunger, injustice, inhumanity, hatred, suffering, and misunderstanding in the world."

“That’s what I told you in the beginning I was doing,” we might say.

“Right”, God might say, “but you were doing things with the idea of earning my respect and acknowledgment so you would feel successful. I want you to realize that success is in my hands. When you share my love in the name of my Son, you are beyond being concerned about whether you are successful. You give the results to me. **Believe me, I will win!**”

Spreading, Serving and Sharing with You,  
*Pastor Carl*

Fall has arrived and the activities at **St Luke’s are in full swing. There are many opportunities for you to get involved and I’m sure you will find it rewarding.**

We had a great picnic following our church service on September 11 along with the annual auction sponsored by the Sunday School and Education Board. The Sacramento Youth Band provided music for the service and its members were active in providing additional support for the picnic. The weather was great and I think everyone had a chance to reflect on the significance of that day and then to share in fellowship with one another.

I want be sure to thank all who helped out during the summer with our Sunday School. **It was really great to have each Sunday “covered”** to provide a special time for our children. Thanks!

I also want to thank our Facilities Use Committee for working through the many requests for use of our facilities and spending their time coordinating and sometimes working through some sensitive periods. Thank you all!

An update on our progress with Blumhardt Memorial activities shows we have been busy. We are nearing completion with the window upgrades and repair with a second of five stained glass windows now in place. The ADA bathroom is complete and a welcome addition to our support facilities. The kitchen upgrade is complete except for the purchase and installation a new water heater. We presented a check to David

Bentz on August 28 in support of his seminary education. Work has begun on maintenance and repair for the parking lot. Except for the water heater expense, most of these projects have been at or below our original estimates which is good **news for the projects “awaiting their turn” in the priority list.** These activities have certainly been a blessing for our facility and provided opportunities for members to work together as a team to achieve fantastic results. Thanks all for your outstanding service!

Your council is entering the budget cycle for 2012 and reviewing programs and fixed-expenses to develop the budget framework that will allow us to continue to fulfill our mission of spreading, serving and sharing. We will be looking to the congregation for time, talent, and financial commitments that will allow us to maintain our presence in the community. This includes having some new Council members and volunteer committee members to keep our programs running. Please think about how you can **continue to support St Luke’s in the new year.**

I look forward to seeing you all in church and spreading, serving, and sharing together.

Your fellow servant in Christ,  
*Bob Behr*

Blumhardt Memorial Fund Update:

Based on the Priority List of projects, the Council agreed that we were at the point to present **St. John’s Shelter the designated amount of \$5,000.00.** Pastor Carl and Al Moser and Mike Wilke from the Community Concerns Board will **make the presentation to St. John’s Shelter.**

The Council voted to spend \$500.00 for the fall stewardship campaign to cover the cost of preprinted handouts and mailings.

The Finance Committee announced that their monthly meetings would be changed to the second Monday of the month.

It was reported that the Fall Art Auction on September 11 raised \$600.00 to be divided equally between the Union Gospel Mission and

## St. John's Shelter.

The Evangelism Committee has decided to discontinue the Shepherding Program as it was not being an effective ministry. The date for the Heritage Potluck is Sunday October 30 following the second service.

Holly Hoppman from the Worship and Music committee announced that May 19, 2012 is the date for the next Luau for the music ministry.

Respectfully Submitted,

**Ruth Heaton**

Church Council Secretary

The Sunday school kids would like to give a big "Thank You" to all those who participated in some way in this year's Art Auction and

Bake Sale. This year they raised \$600.35 for St. John's Shelter for

Women and Children and the Union Gospel Mission. Were it not for the continuous support of you, their efforts would not have been successful; so thank you so very much. Special thanks go to Pat Lehman for the beautiful handmade quilt and purses, Julie Ireton for the ceramics, Freddy Santana for the ceramic vase, Ruth Heaton for the necklace, Bob Allen for the photographs, Ron & Pat Webb for donating 7 pieces of art for the auction, and those who baked goodies for the bake sale.

The Divine Drama classes have resumed once again and it isn't too late to join us. Classes are held Tuesday mornings at 10:15 am and Thursday evenings at 7:00 pm. If you haven't experienced the Divine Drama this is a great way to get to know your Bible.

Melissa Jensen is continuing to lead an exciting young adult study Sunday mornings at 9:15 am in Room 4. The group will be exploring what is really means to be a Christian and to live a servant-life. We are blessed to have Melissa leading our young people and encourage you to spread the word about this exciting new area of opportunity here at St. Luke's.

Also continuing on Sundays this fall in Room

3 at 9:15 am is an in depth study of John. This is a continuation of the study from last year. Pastor Carl is leading the group on a journey through the Gospel of John and examining the true meaning of the Word. All are welcome.

I want to thank my Board members for bringing the wonderful food for our brunch at our last meeting on Saturday, September 10.

We especially thank Mary Ann Chappelle from Elk Grove Food Bank Services for coming and speaking to us about their services – it was a very enlightening and informative speech enjoyed by all of us. This is a wonderful organization and I encourage you to check out their website for information and if possible help them anyway you can. The Web-Site is:

[www.elkgrovefoodbankservices.org](http://www.elkgrovefoodbankservices.org).

I also thank those of you who brought items to support the River City Blue Star Moms who send them to Military Families.

We will not have a meeting next month due to the Fall Festival, however, we will be contributing left over White Elephants and any other items you would like to contribute to the St. John's Shelter for Women & Children.

Fall Festival – Saturday, October 1, 2011 8:00am to 2:00pm.

We would so appreciate your support so we can be sure and support those less fortunate than us. If you are not able to help please plan to attend – ask your neighbors, friends and relatives to come along with you.

Please bring any items you have for the Country Store Saturday morning, as soon as possible. Remember they would welcome baked goods, homemade jams & jellies or any other homemade items that you would find in a Country Store.

Very Important – Once again we remind you -Please don't forget your Secret Sister – let her

know you are thinking about her. It is not a rewarding and fun experience to be a part of this program if you do not know that your Secret Sister cares about you! Make sure she receives a card and/or a small gift for special occasions and prayers when needed.

We will soon be selecting a Nominating Committee – we will have a number of positions to fill so please consider serving on this Board so we can keep this wonderful organization functioning in the years to come.

Thank you,  
*Linda Duffek, President*

As we look at the west windows in Sanctuary we are once again thankful for the Blumhardt Memorial Fund and for Bernie Johansen for recommending such an accomplished craftsman to allow us to

have such unbelievable stained glass windows. One by one they are being installed and we are all awestruck by the absolute beauty of each of them.

#### On-Going Projects:

1. Additional Yard Lights – The four additional yard lights have been received and will be installed as soon as the Board has an opportunity. Kitchen Work – The Board has assisted the Blumhardt Kitchen Committee as noted.
2. Garbage Disposal – The installation was completed during the recent “All Members Work Day.”
3. Ice Maker – The cabinet modification and plumbing work, necessary for the installation of the ice maker has been completed. The ice maker installation is completed.
4. Cook top Hood/Vent – A new hood/vent cabinet has been constructed. The new cabinet and vent pipe will be installed by the Board as soon as time, and vacations, permit.

Kitchen Hot Water Heater: The Council approved the purchase and installation of a commercial water heater. The research has been completed, however, the work will not begin until the end of September due to vacation schedules.

High Soffit Repair (Bird Issue): The Board decided that Bruce Kiser should perform the required work, a Blumhardt project, as soon as feasible.

Parking Lot Repair: The Board is in the process of updating the bid received about a year ago and obtaining additional bids for this Blumhardt project. Initial indications are that the costs will exceed the Blumhardt budget (\$6,000). Possibly, the budget can be augmented and/or the crack sealing (work currently included) can be postponed. The Board expects to have a recommendation soon.

Plugged Storm Drains - the poor drainage from various storm drain inlets has been investigated within the church property and it has been discovered that at least one pipe is nearly plugged. The City will be called to verify that the issue is **not a problem with the City’s drainage system**. It is likely that clearing the storm drain pipes will be expensive (\$500 to \$1,000).

Tree Removal: The Board briefly discussed the removal of two trees – a large pine on the southeast corner of the sanctuary and a small old tree in the courtyard. Bids from one firm have been obtained and the Board is in the process of obtaining additional bids. The Board is primarily concerned with the large pine tree, as removal of the courtyard tree is likely to be included in the courtyard work.

**“To Do” List:** The Board reviewed the work accomplished on the August 13, “All Members Work Day” and the tasks remaining – list in the Narthex for anyone that can help out by selecting a task to do at their convenience.

Next **“All Member” Work Day**:  
Saturday, November 12.

Property Board Chairman

#### After Service Refreshments

We thank all of you who have signed up to serve and or provide the refreshments for our after service fellowship time.

## Shepherding Ministry

### Results of Evaluation

The Evangelism Board made the decision to evaluate the effectiveness of this ministry, and we felt the best way to do that was to ask the Shepherds. We so appreciate those of you who participated in this evaluation and all of you who agreed to be a Shepherd.

After compiling the answers it was decided that the effectiveness was not what we had hoped it would be and have discontinued sponsoring this ministry.

You, who were Shepherds and anyone else in the Congregation are encouraged to act as a shepherd to any other member of the congregation especially to those that are not able to be with us. We all love to know that someone cares about us. I received a card just the other day from someone in our Congregation and it said "I'm so glad you're my friend! -I just wanted you to know that. Thank you Peggy - it meant more than you can imagine.

The Evangelism Board will move forward and hopes to find a more effective way of caring for our Congregation. Our hope is that we will have your support in whatever we decide to do.

Family Picnic Sunday, September 11 after 10:30 Service. What an incredible day, God gave us beautiful weather and an unbelievable time of fellowship to recognize the 9/11 tragedy and the beginning of our new educational year.

A huge thank you to the Sacramento Youth Band, especially Mike and Linda Duffek, for volunteering to help set-up, clean-up - furnish and barbecue the hot dogs as well as provide the buns and condiments. Pastor Carl provided a wonderful worship service and the Youth Band music was outstanding - it made the day everything that we had hoped it would be.

We also thank everyone else who helped, in anyway, with this event, all of you who made the delicious salads, and everyone who attended.

### Greeters

We are still looking for a replacement for Genie Sommer who made sure we had greeters

each Sunday - please talk to Pastor Carl or any member of the Evangelism Board if you have any questions.

In the meantime, we need greeters for several Sundays this month, as well as November and December. If you would like to be a Greeter during this period, please sign up on the Greeter Calendar on the cork board next to the Exit.

Annual Heritage Potluck - Sunday, October 30 following 10:30 service.

Please mark your calendars and start thinking about what you would like to share with others from your heritage or any favorite family recipe. Look for a sign-up sheet in the Narthex.

Congratulations to our Music Director, Brooke, and her new husband, Dave Barr. They were married on September 3rd. We all wish you a long and happy marriage.

We have received a wonderful response to the Veterans Banner we are putting together for past and present members who have served our country in one way or another. The banner will be dedicated on Veterans Sunday, November 13th, 2011. So, in order to give the board enough time to put the banner together the last day to submit names will be Sunday, October 16th.

If you would like to submit a name please contact Holly Hoppman, [hhoppman@gmail.com](mailto:hhoppman@gmail.com) or fill out a form that can be found on the opportunity table in the church narthex.

The choir started it's new season on September 7th. If you are interested in joining the choir, come to choir practice on Wednesdays at 7pm.

The sound system is complete! A big thank you to Stephen Bingen for working on getting the sound system all set up for everyone.

Dear St. Luke's,

First I wanted to give you my heartfelt thanks for your very generous gift you gave our family. Your ongoing support has made it possible for me to come this far on my journey through seminary. It was so nice to see everyone again and catch up on what has been going on at St. Luke's. **The church looks better every time I see it!** Since I did not get a chance to talk with you all one on one, I thought I would send you a little update on what has been going on here with us this year.

Spring and summer have really flown by. I ended my internship at Resurrection Lutheran Church in May and despite or perhaps because of some of the challenges I faced, I really feel like I learned a lot during my time there. The pastor and my Lay Committee both gave me an unconditional recommendation for ordination, and I was very pleasantly surprised that several people told me when I was getting ready to leave that I was one of the best interns they had ever had. I was really touched by the going away party they threw for us.

I prayed to God for work this summer and God truly answered my prayers. In June I was hired to manage the seminary's Delaware Apartments and I was also hired by Lutheran Church of the Cross in Berkeley to direct their Youth and Family Ministry program. As you all know, I came to Sacramento twice this summer for

pulpit supply and to top it off, Monica and I were asked to cater for the Rwandan Youth Delegation that came to visit the Sierra Pacific Synod Youth for 2 weeks. **I don't think I've ever been so busy in my entire life, but the extra income was a much-needed blessing.**

My fall semester starts tomorrow, Tuesday Sept 6<sup>th</sup>, I'll be taking "American Lutheranism", Public Ministry 2", "Biblical Hebrew 1", "The Psalms", and "Fundamentals of Music". On the one hand I really don't want to go back to classes and paper writing, but I also realize that there's always more that I can learn. Now the end is finally in sight, I only have 3 semesters left to go, and I'm getting anxious to know what the future will bring. I'll be up for approval for ordination in February and if all goes well I should know which part of the country I'll be assigned to by this time next year.

Monica is now going to school full time working the prerequisites for a degree in Dental Hygiene. Bethany has just turned 10 and started 4<sup>th</sup> grade last week. I'll keep you updated as I can as my journey continues. Thank you again!

Yours in Christ,  
David Bentz
