## Pastoral Perspective

*"You shall love the LORD your God with all your heart and with all your soul and with all your mind. This is the great and first commandment. And the second is like it; You shall love your neighbor as yourself." Matthew 22:37-39*

Jesus, here, is teaching that loving God and neighbor is of the utmost importance for you as you follow Jesus in your day to day life. How are you to love God? By loving your neighbor. In what way are to love your neighbor? Love them as you love yourself. If you love others as you love yourself, then you are loving God. All the Law and the Prophets are distilled into this single principle. This one precept replaces the amazing detailed patchwork of the Mosaic code and covers infinitely more territory.

**"Love your neighbor as yourself", Jesus said. It is the "as yourself" that is the operative element here. It is the element that you can't get around. It is the "as yourself" that makes this commandment comprehensive, universally applicable and without loopholes.**

**What does "as yourself" really mean? In what way do you love yourself that you should extend this love to others? Unless you suffer from severe depression or some other disorder, you love yourself in the sense that, even though you know you are not flawless, you are dear to yourself. You ask God to protect, provide for and preserve you. You are on the lookout for people who will affirm your value as a person. You love yourself in the sense that anything connected with you seems vitally important. You need not have any illusions that you are the perfect person. You need not have any false affection for yourself. But, In spite of your shortcomings, your watch out for**

yourself. As for your faults, you are always hoping they will be excused by others. You feel that for any trouble you may cause, you are still somehow worthwhile. In spite of everything, you believe that there is a God given good to you that can and should be saved. When you are surrounded by people who are able to see this good and are concentrating on bringing it out, you are a vastly more joyful and better person for it.

Jesus taught that if you turn this kind of **attention on others, it is love. You don't need to try to force yourself to feel false affection toward others. You don't need to try to make yourself blind to those qualities that are less than ideal about them. And you certainly don't have to always be giving others just what they want. You are, rather, to love others as you love yourself. That means you are to see their needs as vitally important. You are to see them as sharers in God's gifts rather than competitors and so share freely with them. You are to pray for the best in them even when knowing the worst.**

Now you can get yourself in real trouble if you try to do this on your own power. You can use others simply to make yourself feel better about yourself or to fulfill your own desires. It is important to share this love as you have received it from Jesus—humbly, graciously, seeing yourself **simply as a channel of this love. Jesus isn't asking you to get into the lives of others to direct the traffic or control them or force yourself upon them. God has a special plan and purpose for each of His children. He is rather inviting you to join Him in this vital work of love and to trust that in His power, love really will conquer all.**

Spreading, Serving and Sharing with You,  
Pastor Carl

As we approach the month of November, we begin thinking about Thanksgiving and being thankful for

all the many blessings we have received. We also think about getting together with family, perhaps, and having a good time sharing with one another over a nice meal. Although a year round opportunity, we also emphasize how we can share with our community and those less fortunate. So, I ask everyone to consider what you can share with those in need by giving food or a monetary donation to the Elk Grove Food Bank Services or Sacramento Food Bank. Thanks for your consideration.

The Fall Festival was a fun time with great weather and fellowship. Many folks put in a lot of effort to make this event a true blessing for the community and the various organizations that will benefit from the funds raised. Thanks to all **for making this a great St. Luke's event.**

We continue to move forward with the projects made possible by the Blumhardt Memorial. We completed our benevolence commitment with the presentation of a \$5,000 check to **St. John's Shelter to use in their vital work with women and children.** Other activities are progressing right along as the various teams work through the planning and implementation of providing new paraments (Priority 4) and upgrades **to the parking lot. Thanks to everyone's efforts to keep these projects moving.** We will look to provide an update on these projects at our congregational meeting in December.

Last month I asked everyone to consider what they might be able to do to further our mission. We will be looking for some new leaders for a few of the Boards and will begin that search process in November. At the same time we will be drafting a church budget for next year based on the results of our stewardship program and the identified needs for various programs of the church. We all have special gifts to share.

**Let's continue to work together to make St. Luke's a vital part of our lives and of the local community.**

Your fellow servant in Christ,  
*Bob Behr*

Winter Sanctuary is a seasonal rotational homeless shelter hosted by churches in the area. The confirmation class wants to organize hosting the Winter

Sanctuary sometime in December or January. Congregation provides dinner and breakfast for up to 100 men and women as well as fellowship and space to sleep. Supervisors from Volunteers of America are present all night. Pastor Carl will lead the confirmation class in this project.

Stewardship program is underway. Ron Webb, Karen Behr and Pastor will put together stewardship material for distribution on October 30, and pledge cards for distribution on November 6.

Worship attendance has been fluctuating. Nothing seems to be wrong, but life changes, moves and a growing number of shut-ins have **been contributors to low attendance. It's something to be concerned about and tackled together. So invite people you have noticed aren't at church and folks you know who don't have a church. Let them know about the special events like the Heritage Potluck and Veterans Sunday.**

The Sunday morning adult classes are going well as is the Divine Drama. The Sunday School children have started practicing for the Christmas Cantata.

Al Moser and Mike Wilke got to give \$5,000 to **St. John's Shelter from the Blumhardt fund. There have been lots of donations of food and clothing from the congregation for St. John's Shelter and the Elk Grove Food Bank.**

The choir will no longer be processing and recessing from the back of the sanctuary because of mobility concerns, but instead from and into the choir room.

The Veterans Service on November 13 will be a really big service. Over 130 people will be honored in the new memorial banners, and the service will be a combination of the services when the WWII Service Flag was dedicated and retired.

The Fall Festival was a huge success. We made over \$1000 more than last year. Community outreach and congregational support was so important at the Fall Festival.

Notes from meeting October 10, 2011:

Attendees: Pastor Carl, Mike Wilke, Pat Webb, Al Moser

Continuing Goals:

- ◆ Spread the love of God
- ◆ Serve the Community
- ◆ Share the News of the Gospel
- ◆ Allow our resources to flow to our Community.

Items Discussed:

- ◆ What agencies need our help
- ◆ Waiting for Habitat for Humanity to begin a new project.

Best Item Completed:

- ◆ A \$5,000 check, from the Blumhardt Memorial Fund, was presented to St. John's Women & Children's Shelter. Thanks to all involved in that project. We especially thank Mike Wilke, who presented the check to the representative from the shelter.

More good things will be coming.

Thank you and Thank God  
*Al Moser, Chair*

After Service Refreshments

We still have opportunity for anyone that is able to assist in providing and serving refreshments for the remainder of this year. Look for the sign-up

sheets in the Narthex and remember if you serve you do not need to provide and you will never have to work alone! Come join us in the refreshment room, after second service for a great time of fellowship! Once again, we thank Ron Webb, for always preparing what is necessary for all of the hot beverages that are served each week. Ron is truly an ex-officio member of the Evangelism Board. We also thank everyone who participates in setting up and putting away tables, chairs and other items – there are many but Bob Behr, for one, is always there for us and we greatly appreciate it!

Shepherding of our Congregation:

It was discussed that there is a great number

of members who are only able to come to worship occasionally and are greatly missed – our hope and prayer is that many of them will be able to join us more often in the future. We also have a great number of shut-ins. The Board decided that it is imperative that we continue to care for our shut-ins with cards and visits and with this we would appreciate anyone that can help to please do so. We never know when anyone of us can be put in this very lonesome situation away from our church family so please pray fully consider sending them a card, call or visit when you have a chance – ask Pastor Carl for any assistance you need to do this. Please be very aware of those in our Congregation that come regularly and be sure they are cared for when needed and lastly be aware of any potential and new members by greeting them and making them feel very welcome. – We all know how intimidating it can be to walk into a new facility for **the first time!** **Also don't forget those that have moved away** – our motto is that you are out of sight but never forgotten or you can run but you can not hide!

Greeters

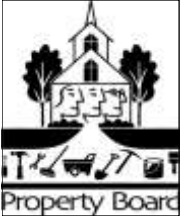

We thank Pat Hamilton for graciously volunteering to replace Genie Sommer as the coordinator making sure we have greeters each Sunday. Please give her all the support you can as she transitions into this position – be aware of the sign-up sheet on the board (right hand wall) as you enter the Narthex.

Heritage Potluck

*Sunday, October 30* following 10:30 service. If you have not signed up please just plan to come – bring any dish you would like or just come and enjoy the many wonderful dishes prepared by others – there is always plenty!

Pastor Carl will explain how we can best enjoy this potluck before we begin to eat. We will also have a table available for anyone that would like to bring something from any foreign country that they would like to display for everyone's pleasure.

*Carol Carney*  
Board Chair

On-Going Projects:

Kitchen Work (Blumhardt Project): The Board has recently assisted the Blumhardt Kitchen Committee on the following efforts:

Ice Maker – DONE; the cabinet doors were recently installed. Cook Top Hood/Vent – DONE. The installation has been completed, including a new 8-inch vent pipe.

We especially thank Jack and Micki Fenske and Bruce Kiser for all the effort in accomplishing the above work. Micki Fenske has become **the Property Board's official painter** – greatly appreciated. Not sure if she hires out but she does excellent work!

Kitchen Hot Water Heater (Blumhardt Project): A contract with Mark Wilcox of Lotek Limited has been executed (\$6,800) for the water heater installation. On September 30, he obtained a Building Permit. The water heater has arrived in Sacramento and the contractor is waiting for the roofing contractor to install a new, larger roof jack and then the work will be completed.

Parking Lot Repair (Blumhardt Project): The Board has obtained bids for various options, involving different sizes of repair areas and thicknesses of asphalt concrete and aggregate base and hopes to be able to make a decision and start this urgent repair work very soon.

Plugged Storm Drains: Bruce Kiser met with a City inspector regarding the plugged storm drain inlet near the Schultz Hall addition. The inspector checked the various clean outs and determined that the problem was not **caused by the City's system. On October 10,** Bruce requested his plumber to inspect the problem and make an estimate for cleaning the pipe. The plumber offered to do the work for a cost **"not to exceed" \$800. As the needed work is** considered an emergency by the Property Board as water could back up in to the church facilities, this will be presented to Council at the next meeting.

High Soffit Repair (Bird Issue): This work on the soffit will begin soon.

AC Security Fences (Added Bar): DONE. The requested bar for the sanctuary AC unit was recently added.

Pending Projects:

Courtyard Repairs/Replacement – Since funds for this project have not been identified, this item was tabled but will be addressed very soon as it is a great concern of this board.

Additional Yard Lights – the electrician, who is familiar with the work, will be contacted to obtain an estimate for the installation of the four additional yard lights. As reported previously, the lights have been purchased.

Remaining Blumhardt Projects: The Board briefly reviewed the remaining projects, for which, the Board is responsible and will address them further as time and money allows.

- ◆ Landscape/Sprinklers - \$7,500
- ◆ Gutters - \$4,000
- ◆ Schultz Hall Addition - \$20,000 *Questionable whether sufficient funds will be available.*

2012 Budget Requests: The Board reviewed and thoroughly discussed each Budget item that is the responsibility of the Property Board. The Budget requests for 2012 created a lengthy discussion regarding the projected and anticipated needs versus the probable income **level for St. Luke's. The Board considers that their requests are the minimum ("bare bones")** and do not allow for any unplanned needs or unanticipated cost or fee increases.

Next "All Member" Work Day: November 12. Please remember the list of unfinished projects is on the table in the Narthex for anyone that would like to help us out and are not able to participate in the work day scheduled time. We thank Bruce Kiser for his recent work of removing the weeds along the north fence line and for Karen Kiser for her work in the old playground. Also, we thank Dorothy Haney for hours spent on various flower beds around the facility. Anything, that anyone, is able to do to improve YOUR church property is greatly appreciated.

Jerry Carney, Board Chair

As stated in the bulletin the members of the Women of the ELCA were overwhelmed by the love and support shown toward our Fall Festival held on Saturday, October 1. We were able to gross over \$1,000.00, more than last year, for our benevolence fund to support those less fortunate than us. We thank everyone who participated in any way by planning, working, donating, shopping or just coming and showing that you care about our efforts to make this event what we had hoped it would be. There are so many to thank and so much that could be said to allow us not only to make the money but to reach out to our community in such a wonderful way.

Every women, young or old alike, who attend **St. Luke's** are members of this organization and it was wonderful to see so many of you who are not able to attend our meetings, regularly, to be such a large part of this event - we thank all of you so much.

**Even though we can't name all of you gals** because there are so many please know how much you were appreciated.

Special thanks to our guys – we could never have done it without you who helped us in so many ways!

Erwin Kiser – there are no words adequate enough to thank you for raising and caring for all the beautiful plants you donated for our plant sale – we truly appreciate it and so did all those that were fortunate enough to take one home with them.

Larry Dockter, Bob Behr, Ed Ireton, David Saxby, Jack Fenske, Jerry Carney, Mack Vance, Ron Webb, Pastor Carl, Paul Heaton, Paul Maki, Ken Light, Al Moser, Mike Duffek,

You guys were great!

Judy Saxby and Carol Carney – Co-Chair of the **“White Elephant Sale”** would like to take this opportunity to thank everyone for their tremendous support to our sale – we were fortunate **this year to have many “large white elephants”** due to the generosity of many. We especially thank those that were, for one reason, or an-

other having to leave their homes and relocate but took the time to lovingly prepare boxes and items to donate to our effort. We especially thank, Jeanne Cooper, Bertha Dahl, Genie and Fred Sommer, Ria Williams, and Merle and Ralph Zbrog.

November and December are going to be very busy and fun months for WELCA – we hope that all of you will come join in with all of our activities so please mark your calendars for the following:

Next General Meeting – Saturday, November 12 11:30AM

Please bring a soup or salad and ask someone, who has not been able to join us lately to come with you!

We will, once again, be supporting the River City Blue Star Moms – if you wish please bring something from their wish list posted on our Web Site or in the Narthex.

They will package these items and send them to our service people in time for Christmas.

Example of items needed are playing cards hard candy, gum, and personal care items.

If you are not able to come and wish to donate something please bring them to the office to be included to support our military personnel.

Thankoffering Service – Sunday, November 20 - Sponsored by the Women of the ELCA

Lovingly coordinated, once again, by Bertha Dahl – look for the sign up sheets in the Narthex, if you would like to participate, and Bertha will give you a call.

Thanksgiving Eve Pie Social

We ask everyone that can help us by bringing a pie for this social to sign up in the Narthex – any kind of pie including sugar free would be greatly appreciated. Very Important – please bring your pie in a pan that you do not want to get back as we donate all of our left over pies to the Narcotics Anonymous group that holds a Marathon Meeting at our facility during Thanksgiving.

*Grace and Peace to you in the name of our Savior Jesus Christ. Amen*  
*...Over the course of the last weeks, I have undergone a series of medical tests which have led to a diagnosis of cancer of the prostate. I was referred to a specialist for a biopsy of the prostate, which revealed the presence of cancer. It appears the cancer has been caught at an early stage*  
*At this point in time, it is most likely that I will undergo surgery to remove the prostate in mid-late November, which will require approximately six weeks of recovery time. ...If all goes well I should be able to return to my duties as bishop around the beginning of the New Year....*

*I trust that your prayers for Debbi, for me and for our children — Alyssa, Marshall, Justin and Meaghann, along with prayers for our synod's ministry and leadership will be offered in the coming weeks— thank you.*
