## Pastoral Perspective

All of us, no matter what our age, are constantly exposed to advertising--in newspapers and magazines, on radio and television, on billboards, in circulars and catalogs that come in the mail, by telemarketing phone calls, and by ads on our computer screens. We are constantly being urged to buy goods and

services, to invest some of our resources for a return in the future, or to indulge ourselves in food, drink or entertainment for the gratification of our desires.

All of us, I'm sure, have been stung in our purchases or investments at least a few times. The toy we bought fell apart as soon as the kids began to play with it. The appliance we purchased never worked right. The car we got turned out to be a lemon or a gas-hog. The value of our savings and investments was challenged by a volatile economy. The medicine for which we paid dearly turned out to not really help at all.

Now along comes Christ with his fantastic offer: "Come to me, all who are tired from carrying heavy loads, and I will give you rest. Place my yoke over your shoulders, and learn from me, because I am gentle and humble. Then you will find rest for yourselves because my yoke is easy and my burden is light." (Matthew 11:28-30) This really sounds like one of those "too-good-to-be-true" offers!

Nothing to send in, no limited time, no purchase required, no minimum order--just Christ, who makes this tremendous invitation, to come to him and find rest.

But wait just a minute. Don't hang up. Have you ever felt cornered by a chain of events that appeared to back you deeper and deeper into a situation from which you could see no escape? Have you ever felt on the verge of sheer panic as you faced choices which seemed to offer only varying degrees of disaster? Have you ever lain awake at night, burdened with anxious fears or a broken heart? You don't have to live very long to experience some of these feelings. And Christ knows that. He knows where you are in the world all the time, and he knows how desperately you need the comfort and hope, the living love, that his offer promises.

Don't think for a minute that this offer is for someone else but not for you. Christ came into the world to be with you in the challenges this world brings. If you find yourself laboring through life, trying to make some sense out of everything that is going on, this offer is for you. If you bend beneath time's load, longing for the relief you anticipate when the bundle of years is lifted, this invitation is for you. No matter what your situation, this offer is for you.

So, come to Christ in faith. Believe in him as the Son of God sent into the world to live, suffer, die and rise from death to reveal God's compassion and

care for you in your present situation and every situation to come. He offers to yoke with you so you will have strength for the moment and rest from trying to carry everything on your own shoulders. Don't miss out on this fantastic offer. It really is true. Act now! You'll be glad you did.

**20TH ANNUAL FIREWORKS SALE**  
**JUNE 28TH – JULY 4TH**

Our annual fireworks sale is here! Our booth is again located at the corner of Mack Road and Valley Hi Drive in the Food Source parking lot. The funds we raise from the sale of fireworks are used for the many property board projects in and around the church.

We're again looking for a lot of volunteers so please consider all the ways you can help out this year. Here are some ideas where you can help: selling fireworks (sorry, you must be 18 or over), coming by and visiting, bringing snacks and drinks to share, helping to unload/load the truck each day, waving flags and banners to attract passersby to our booth, buying your fireworks from us, and encouraging your friends and family to do the same!

If you can volunteer to work in the booth, there is a sign-up sheet in the Narthex to reserve your favorite time(s). June 28th to July 2nd, the booth is open from 9 a.m. to 9 p.m. On July 3rd and 4th we're open until 10 p.m.

If you have any questions about the fireworks booth or about how you can help as a volunteer, just call or see me. We have a lot of fun every year (including Fireworks Booth Bingo), so don't miss out.

In His Name...

Larry Dockter  
Fireworks Booth Committee Chair

## **WEDNESDAY EVENINGS IN JULY**

### **BIBLE STUDY: THE POWER OF SIMPLE PRAYER**

Folks tend to make the practice of prayer too complicated. As a result, many keep from regular prayer. They lose out on building a stronger relationship with the Lord that is nurtured through prayer in all situations. This year for our Wednesday Evenings in July Bible Study, I will be focusing on the tremendous power of simple prayer to keep us connected with the Lord and His way through everything we experience in life.

Through sharing together, along with the use of a four session DVD series hosted by Max Lucado, we will work on developing a simple and powerful prayer life. We will distill prayer to four short statements and learn how to easily add specifics to those statements depending on where we are in life and what is going on. The statements are:

- Father, you are good.
- I need help.
- They need help.
- Thank you. In Jesus' Name. Amen

The Wednesdays in July Bible Study begins July 10 and goes through July 31. We will start each Wednesday with a potluck at 6 p.m. in Schultz Hall followed by a session on one of the four prayer statements listed above. This study could help your whole family, so feel free to bring your children or other young people so they can learn the simple secrets of powerful and productive prayer for life. A sign-up sheet for the Bible study is on the opportunity table, or just feel free to come without signing up. If you can bring something for the potluck, great. If not, there will be plenty.

Community Concerns Committee is gearing up for our annual Backpacks 4 Kids! Every year we assemble new backpacks (graciously provided by WELCA) and supplies (graciously provided by YOU, the Congregation!) for Charles Mack Elementary and Parkway Elementary schools. Everyone who can help comes to Schultz Hall after church on August 4, 2019 and fills the empty backpacks (generally about 125) with school supplies (listed left) for needy kids. We take them to the school offices and they distribute them as needed. Everything from pens and pencils, erasers and rules, binders and bookcovers, reams of paper and large boxes of kleenex! And the list goes on!

A bin will be placed in the narthex marked "SCHOOL SUPPLIES"! Thanks for your help!

Also, a plea was recently made by Loaves & Fishes to coffee cups! See below:

*Got any silly souvenir mugs that you're not using? What about the weird gift-with-purchase cups that don't go with any of your dishes? Or even a few plain ones that need a good home? If so, we can put them to good use!*

*We're in need of reusable hot beverage mugs for our guests' morning coffee. Reusable cups do the planet a favor by reducing waste, and there is something ineffably comforting about wrapping your hands around that first hot cup of coffee. You can share that comfort with our guests by donating your spare coffee cups to Friendship Park's breakfast program. — at Friendship Park (Sacramento Loaves & Fishes).*
